

Henry Wadsworth Longfellow: A Biographical Sketch (Classic Reprint)

Excerpt from Henry Wadsworth Longfellow: A Biographical Sketch As it is known that the family of the deceased poet intend to publish a full account of his life, including his correspondence, which must be extensive and valuable, it is proper that a brief statement should be made as to the origin and status of this Biographical Sketch. While Mr. Longfellow was in his usual health, somewhat more than a year ago, he kindly undertook the task of looking over my Sketch of James Russell Lowell. I had asked him to do this friendly service for me, and for Mr. Lowell, who could not be conveniently consulted. I have still the proof-sheets with annotations in his well-known hand.
