

# Hes a Rebel: Phil Spector: Rock n Rolls Legendary Producer

Phil Spector created the wall of sound, produced the Beatles last record, persuaded the Ramones to go pop, made the Righteous Brothers sound respectable, and was a millionaire by the age of twenty-one. His credits include some of the most indelible songs of the 60s: The Ronettes Be My Baby, the Crystals Then He Kissed Me, and Ike and Tina Turners River Deep, Mountain High. Culled from more than 100 interviews with Spectors closest associates, and fully updated to include the firsthand details of the alleged murder of actress Lana Clarkson, Hes a Rebel boldly explores Spectors legendary eccentricities, addictions, and violent, reclusive tendencies. This is the definitive, unflinching portrait of Phil Spector, the producer who transformed the airwaves and forever changed the sound of popular music.
