

## High Five (Stephanie Plum, No. 5) (Stephanie Plum Novels)

Out of bail skippers and rent money, Stephanie throws caution to the wind and follows in the entrepreneurial bootsteps of Super Bounty Hunter, Ranger, engaging in morally correct and marginally legal enterprises. So, a scumball blows himself to smithereens on her first day of policing a crack house and the sheik she was chauffeuring stole the limo. But hey, nobodys perfect! Anyway, Stephanie has other things on her mind. Her mother wants her to find Uncle Fred whos missing after arguing with his garbage company; homicidal rapist Benito Ramirez is back, quoting scripture and stalking Stephanie; vice cop Joe Morelli has a box of condoms with Stephanies name on it; and Stephanies afraid Ranger has his finger on her trigger. The whole gangs here for mirth and mayhem. Read at your own risk in public places.
