

## Making Losing Fun

Peter Franzella was excelling in bringing high-limit gamblers to Las Vegas. His rapid success in producing over sixty million dollars in revenue for casinos got the attention of Nevada authorities. His assumed association with organized crime and his accomplishment in collecting gambling losses from his clients started an investigation by Nevada Gaming Control and their first step is to close down one of the largest casino producers of gamblers to the State of Nevada. Peter was close to defeat attempting to fight the Nevada Gaming Control with high-powered attorneys, until his protAgAe Claudia takes matters into her own hands. Although Claudia despises Peters deceptive past she quickly realizes she has to fight the Casino industry to prove Peter is innocent. There are more twists and turns than a roller coaster as it rockets toward a stunning showdown with the powers of Las Vegas. Making Losing Fun is inspired by true events.
