

## I Dont Like Where This Is Going: A Wylie Coyote Novel

If Raymond Chandler were reincarnated as a novelist in south Florida, he couldn't nail it any better than John Dufresne. Carl Hiaasen John Dufresne has been hailed by the New York Times as an original talent . . . [whose] humor is frightfully dark, but . . . dazzling. *I Don't Like Where This Is Going* continues the misadventures of therapist-on-the-run Wylie Coyote Melville. Wylie has witnessed a woman falling to her death outside the Luxor Hotel. Troubled by the ensuing cover-up, he becomes a man on a mission, enlisting the help of his old friend, an ace card player and master magician, to help find answers. The duo's escapades range from poker tables to desert highways, from bordellos to child beauty pageants, resulting in a thoroughly satisfying and hilarious whodunit.
