

## Dream More: Celebrate the Dreamer in You

The legendary Dolly Parton shares her heartfelt hopes and dreams for everyone. Expanding on the hugely popular commencement speech that Dolly Parton gave at the University of Tennessee, *Dream More* is a deeper and richer exploration of the personal philosophy she has forged over the course of her astonishing career as a singer, songwriter, performer, and philanthropist. Dolly elaborates on the four great hopes she wants us all to embrace: Dream more, Learn more, Care more, and Be more. She offers examples of them, from her childhood in the hills of eastern Tennessee to her life as the iconic performer she is today. From one of the legends of our time, *Dream More* is an honest and uplifting anthem for all who want to take charge of their lives and forge a future on their own terms.
