

Pushing Up Daisies (Thorndike Mystery)

Meet Paula Holliday, a transplanted media exec who trades her stilettos for garden clogs when she makes the move from the big city to the suburbs to start a gardening business. Paula can handle deer, slugs, and the occasional human pest but she's not prepared for the mummified body she finds while restoring the gardens at Halcyon, a local landmark. Casual snooping turns serious when a body is impaled on a garden tool and one of Paula's friends is arrested for the crime. Aided by the still-hot aging rocker who owns the neighborhood greasy spoon, a wise-cracking former colleague, and a sexy Mexican laborer with a few secrets of his own, Paula digs for the truth and unearths more dirty business the town has kept buried for years
