

Scoop! (A Vicky Hill Exclusive!)

Vicky will do anything to get off the obituary circuit and on to the front page! If there's one thing Vicky has learnt as an obituary writer, it's how to spot something fishy at a funeral - and plenty is amiss at the service for Gordon Berry. The man was a champion hedge cutter so why are people willing to believe he electrocuted himself by striking a power line with his own clippers? At the reception there are rumblings of foul play - not to mention a fistfight between a mourner and the local Lothario. And in her quest for a scoop, Vicky will find she has to confront everything - from bad dates to mortal danger...
