

Immortal Memories, Vol. 1 (Waking Dream)

Immortal Memories is short story collections set in an alternate view of our reality called The Waking Dream. The Waking Dream is our world which is inhabited by Dreamers Sleepers, Immortals and other forces that live in a mysterious realm called the Spaces Between. Our reality is created through a force known as the Weird which seeps into our world from the Spaces Between, allowing the creation of all that we see and dream. Dreamers and Immortals are able to use the Weird, via their own weirdness, to change the fabric of reality - creating a collective waking dream. Each of the nine stories in this collection is a single moment in the life of one of the Immortals. Some of the featured stories are: The Book of One is told from the perspective of the first immortal, One, who tries to explain that the days to follow will be a trial for all mankind, Dreamers, Sleepers and Immortals alike. It is written in such a way as to explain the hidden aspects of our reality. The Black Heart in Madness is a twist on the mysterious death of Ludwig II of Bavaria, the Fairy Tale King, who built Neuschwanstein, and how in the latter part of his life, he was inhabited by an immortal named Deakin Droon. The Charnel House is the story of three gamers gone ghost hunter who stumble on a strange house that gives them more than they bargained for and a glimpse into the Spaces Between. The Fairy In Red is the story of a strange relationship between an immortal and a dreamer set in 1919 New Orleans. What Rough Beast is an erotica tale of evil governing evil. It explores the depths of human depravity and exposes an ancient force that has existed beyond memory. This book contains adult content and is not recommended for those under 18
