

Staying Power (British Cop Kate Power, 2)

Kate has the makings of a first-rate procedural heroine Booklist A Kate Power Crime Novel Flying home from Florence, DS Kate Power of Birmingham CID engages in a pleasant but trivial conversation with the businessman sitting next to her. Two days later he's found hanging from a canal bridge - with Kate's card in his pocket the only means of identification. It looks like a clear-cut case of suicide - but Kate is not so sure. And, as her subsequent investigation proves, the cause of Alan Grafton's death - and its consequences - are much more serious than she and her colleagues could ever have imagined.
