

Its All Good

In 1991 Andrew Daddo was sacked as an MTV presenter. Rather than slink back to Australia immediately, Andrew and a bloke he met at a party named Ray O'Neal, set off on a month-long motorcycle journey across America. That summer spent riding cross country with Ray forged a friendship that Andrew thought would last a lifetime. But in February 2004, Ray died in an accident. He left behind a wife and a young daughter, Rose.
