

## An Alaskan Womans Journey

I remember being a very terrified little girl. I had a Bogeyman in my life. Growing up in Alaska I lived in some of the most beautiful places on the earth. Growing up in Alaska I survived some of the most terrible things in life. I didnt find my voice until late in life, but it was through God that I am alive today. God gave me my voice. God gave me the ability to forgive and be forgiven. Maybe you have Bogeymen in your life. Maybe you know someone else that has them in their lives. Maybe you also know something about drugs, prisons, treatment centers, and broken relationships. If so, then I pray that God reaches down through the pages of this book, through the voice He has given me, to bring you healing and hope.
