

Brought In Dead (Nick Miller Series)

After a long night on the job, Detective Sergeant Nick Miller is on his way home only to become the first policeman at the scene of a young woman's mysterious suicide. What's odd is that it appears she tried to conceal her identity before doing herself in. Miller follows a hazardous trail to find the powerful man responsible for the girl's fate, only to watch him walk out of court a free man. But the dead girl's father swears to exact justice with or without the law on his side. A fascinating and unusual thriller from an accomplished storyteller (St. Louis Post-Dispatch), *Brought in Dead* will keep you guessing until the final page. A Seasoned Pro. The New York Times Book Review Action-packed, colourful and written by a natural storyteller. - Sunday Mail (London)
