

The Red Hat Club

Meet Georgia, SuSu, Teeny, Diane, and Linda--five women who've been best friends through thirty years since high school. Whenever they get the chance, they don their red hats and purple outfits for a delicious monthly serving of racy jokes, iced tea and chicken salad, baskets of sweet rolls, the latest Buckhead gossip, and--most of all--lively support and caring through the ups and downs of their lives. When Diane discovers her banker husband has a condo (with mistress) that he bought with their retirement funds, the Red Hats swing into action and plot to hang him with his own rope in a story that serves up laughter, elegant revenge, high school memories, long-lost loves, a suburban dominatrix, plenty of white wine and junk food and most of all, the power of friendship.
