

## He Sees You When You're Sleeping

Meet Sterling Brooks. His was not an exemplary life; his misdeeds were few. His were sins of omission, not of commission. A few days before Christmas, Sterling watches those around him gain passage through the celestial gates. The Heavenly Council poses a test -- Sterling will be sent back to earth and given an opportunity to prove his worthiness by helping someone else. And so, Sterling Brooks finds himself in Manhattan, at the skating rink in Rockefeller Center. Among the skaters is a sad-faced young girl named Marissa whose family has been forced into the Federal Witness Protection Program because the mobster Blogett brothers have put a price on their heads. Using his ability to go back and forth in time, Sterling masterminds a plan to eliminate the Blogett brothers and reunite Marissa with her loved ones. Filled with suspense and humor, *He Sees You When You're Sleeping* is a perfect story for the holidays, a delightful and warmhearted tale of perseverance, redemption, and love.
