

## Justice Hall: A Mary Russell Novel

Only hours after Holmes and Russell return from solving one murky riddle on the moor, another knocks on their front door...literally. Its a mystery that begins during the Great War, when Gabriel Hughenfort died amidst scandalous rumors that have haunted the family ever since. But its not until Holmes and Russell arrive at Justice Hall, a home of unearthly perfection set in a garden modeled on Paradise, that they fully understand the irony echoed in the family motto, Justicia fortitudo mea est: A trail of ominous clues comprise a mystery that leads from an English hamlet to the city of Paris to the wild prairie of the New World. The trap is set, the game is afoot; but can Holmes and Russell catch an elusive killer--or has the murderer caught them?
