

My Father Baliah

Poised to inherit a huge tract of land gifted by the Nizam to his father, twenty-one-year-old Narsiah loses it to a feudal lord. This triggers his migration from Vangapally, his ancestral village in the Karimnagar District of Telangana the single most important event that would free his family and future generations from caste oppression. Years later, it saves his son Baliah from the fate reserved for most Dalits: a life of humiliation and bonded labour.
