

La Curee (French Edition)

Une édition de référence de La Curée d'Émile Zola, spécialement conçue pour la lecture sur les supports numériques. Renée, dans ses satietés, éprouva une singulière sensation de desirs inavouables, à voir ce paysage quelle ne reconnaissait plus, cette nature si artistement mondaine, et dont la grande nuit frissonnante faisait un bois sacré, une de ces clairières idéales au fond desquelles les anciens dieux cachaient leurs amours géantes, leurs adultères et leurs incestes divins. Et, à mesure que la caleche se loignait, il lui semblait que le crépuscule emportait derrière elle, dans ses voiles tremblants, la terre du rêve, lalcove honteuse et surhumaine où elle eut enfin assouvi son cœur malade, sa chair lassée. (Extrait du chapitre 1.)
