

La Muerte del Papa (Pope John Paul Is Death_ (Narrativa (Punto de Lectura)) (Spanish Edition)

In 1978 the world awoke to news of Pope John Paul I's sudden death. The Vatican's official statement leaves no room for speculation—a fatal heart attack. London, 2006, reporter Sara Monteiro returns from a vacation to find an envelope containing puzzling documents: a list of names and a coded message. From this point on, she will become immersed in a whirlwind weave of intrigue and danger. Her search leads to the truth behind the Pope's brief pontificate, the beneficiary of his sudden demise. Description in Spanish: Año 1978. El 29 de septiembre el mundo se despierta sobresaltado con la noticia de la repentina muerte del Papa Juan Pablo I, elegido Sumo Pontífice apenas treinta y tres días antes. La reacción oficial del Vaticano ataja de forma expeditiva cualquier duda que pudiera plantearse sobre la causa de tan inesperado suceso: el Papa, hombre de salud delicada, ha sufrido un ataque al corazón. Año 2006. La periodista Sarah Monteiro vuelve de vacaciones a su casa de Londres. Allí le está esperando un sobre en el que se encuentran dos extraños documentos: una lista de nombres y un mensaje cifrado. A partir de ese momento su vida correrá un grave peligro y se irá viendo inmersa en la voragine de una trama en la que están implicados príncipes de la Iglesia sin escrúpulos, políticos corruptos y mercenarios dispuestos a vender su alma al mejor postor.
