

## Chill Factor (DI Charlie Priest Mystery)

When salesman Tony Silkstone confesses to murder, the top brass of the Heckley police are keen to convict and close the lurid case. But Detective Inspector Charlie Priest is not convinced that things are as simple as they seem. A hitman coming to town and a juvenile car thief wreaking havoc complicate matters for Charlie. As links between his case and another murder emerge, Charlie pursues the trail and finds himself faced with questions about his own friends and his feelings towards them.
