

## A Man Of Two Worlds

Robyne Van Landingham owns a movie studio and has everything that most men only dream of. His latest film, however, has been plagued by a ghost. The malevolent spirit terrorized the studio and drove away Robynes crew, putting the project in jeopardy. Robynes friend, owner of the hottest Goth club around, Devon Wellington, has promised Robyne all the help he needs until he can hire a new staff...but is the realm of the undead really what Robyne wants at his studio? Can he trust zombies, vampires, and shapeshifters with the production of a film? During production, Robyne receives devastating news that will forever change his outlook on the meaning of true friendship, and open his mind to the fact that not all creatures from the darker side of life are as they seem. Robynes news sends him on journeys to the ends of the Earth. Will Robyne see his dreams come true before his soul and his very life are lost to a world of the undead...a world that he neither understands, nor is ready for?
