

## Mind your step (Dutch Edition)

Mind Your Step is een geïllustreerde dichtbundel met erotische bekentnissen. Naast een parodie op het liefdesvers bevat deze bundel een weergave van romantische bekentnissen van zowel leken als gediplomeerde minnaars. En biedt een blik in de wispelturige ziel van de verliefde man. Mind Your Step openbaart versluierde verlangens in de detailhandel en wellustige gedachten in de lokale politiek. Prikkelende liefdesbrieven uit het MKB, vlammende poëzie en vurige fantasieën van zzpers, maar ook schokkende bijdragen van een boswachter, een Frieseijsmeester, een hoogleraar Arabische talen, een serenade aan een paaldanseres met hoogtevrees en een klassieke ode aan kapster Jenny, de Knipsnol.
