

## Morality for Beautiful Girls

The quick-witted, good-natured detective Mma Precious Ramotswe shines in this irresistible best-seller. It continues the charming series that began with *The No. 1 Ladies Detective Agency* (RB# 97396), hailed as one of the International Books of the Year and the Millennium by the Times Literary Supplement. Between intriguing new cases and troubling personal developments, Precious hands are full. She personally investigates the claim of an important government worker, who suspects his brother is being poisoned. Meanwhile, assistant detective Mma Makutsi explores the moral fiber of four beauty pageant contestants. On top of all this, Precious reliable fiance finally shows a crack in his armor. Life is more difficult than ever at The No. 1 Ladies Detective Agency, but its nothing a little clear thinking and a few mugs of bush tea cant handle. It is hard not to be seduced and intrigued by this delightful series. I wouldnt even try to resist. -Contra Costa Times Narrator LISETTE LECAT, apart from her native South Africa, has lived in Spain, France and England, where she worked as an actress, voiceover artist, journalist and translator. She now resides in the United States, where she has expanded her performance career to include narrating audiobooks and writing plays. Audio critics applaud her talent for characterization and her facility with accents. In 1999 she won the Alexander Scourby Narrator of the Year award. 97398 (6 cassettes/8.25 hours)
