

Movers and Shakers, Scalawags and Suffragettes: Tales from Bellefontaine Cemetery

The history of Bellefontaine Cemetery in St. Louis is told through the stories of those who are buried there. The book is organized into sections, such as artists, fur traders, and Civil War generals, which feature biographies of individuals. Besides being a history of a significant place, this book functions as a guidebook to St. Louis and its notable residents. Because so many of St. Louis's leading citizens (such as William Clark, James Buchanan Eads, Susan Blow, and Adolphus Busch) are buried in Bellefontaine, the book is a tale of the city.
