

## Murder at Five Finger Light: A Jessie Arnold Mystery (Alaska Mysteries)

Sled dog racer Jessie Arnold stars in a series that's suspenseful, intelligent, and filled with the spectacular beauty of the northern wilds (Dallas Morning News). Her friends, Laurie and Jim, have acquired their dream—an old lighthouse on the Alaskan Inside Passage—and invited everyone to a party. Not a party in the typical sense, but one where guests earn their keep by restoring the old building. With the company of old friends, the smell of fresh paint, and a view to die for, this is one weekend Jessie won't soon forget—especially when a guest ends up dead. At first, the death seems like an accident, but when someone cuts the phone and radio connections, Jessie realizes there's a killer loose on the island.
