

A Fit of Tempera (Bed-And-Breakfast Mysteries)

Van Gogh-ing...going...gone! Poor Judith McMonigle Flynn! All she wants is a much-needed break from the rigors of running Hillside Manor. But she and cousin Renie have barely set foot in their familys backwoods vacation cottage...and already theyre having a brush with the local law. It appears someone has painted their neighbor, world-renowned artist Riley Tobias, permanently out of the picture. And the artful slayer has managed to frame luckless Judith for the crime! But the model amateur sleuth isnt about to sit still for this , as she and her cuz canvas the countryside in search of a killer. Judith is certain the culprit can be found in the rogues gallery of oily agents, malicious mistresses, and crafty critics who inhabited the defunct da Vincis surrealistic world. But the cousins could be painting themselves into a dangerous corner with this unofficial investigation...and setting themselves up for another fatal art attack. Poor Judith McMonigle Flynn!
