

My Journey with Farrah: A Story of Life, Love, and Friendship

For thirty years, Farrah Fawcett and Alana Stewart were friends, and in that time they had been through it all. But in the fall of 2006, a test of their friendship arose unlike any other they had faced: Farrah's cancer diagnosis. Together, Farrah and Alana were relentless in their pursuit of a cure, and in these intimate and personal diaries, Alana shares her thoughts on the journey she and Farrah embarked upon as they battled this illness to the end. From the importance of selflessness to the undeniable value of faith, Alana's diary entries demonstrate how, even in the face of this debilitating disease, Farrah continued to teach everyone around her about the courage and power of friendship.

With candid stories about aging, marriage, motherhood, and faith—all topics Alana and Farrah laughed and cried about over the years—*My Journey with Farrah* provides a moving tribute to Hollywood's golden girl and an inspiring celebration of Farrah's life.
