

Not a Girl Detective : A Cece Caruso Mystery

I spent my entire youth idolizing Nancy Drew. Im pushing forty now, but some fantasies die hard. Besides her beloved collection of vintage designer clothing, there is nothing Cece Caruso cherishes more than her childhood memories of Nancy Drew. Her near obsession with the fictional teenage sleuth led her to become a professional biographer of classic mystery writers. And now that shes working on a book about Nancys pseudonymous creator, Carolyn Keene, Ceces in heaven. At the L. A. home of another rabid Drew-ophile, Cece finds a treasure trove of useful memorabilia, including one unique and somewhat shocking collectible. Later she finds a dead body -- and a puzzle that would sorely test the skills of her spunky girlhood heroine. Now shell have to channel her former idol and unmask a murderer, and the killer may be coming for Cece next.
