

Mystery Women Vol. II: An Encyclopedia of Leading Women Characters in Mystery Fiction (1980-1989)

Many bibliographers focus on women who write. Lawyer Barnett looks at women who detect, at women as sleuths and at the evolving roles of women in professions and in society. Excellent for all womens studies programs as well as for the mystery hound. Look at the popularity of such reading guides as Willetta Heising's *Detecting Women* (3rd ed. 0-9644593-7-X) or Amanda Cross fiction (*Honest Doubt* 0-345-44011-0 11/00).
