

Needles For Free: a bipolar episode

Have you ever asked yourself, What is bipolar disorder? The term bipolar gets thrown around haphazardly, but it is a real disorder that affects everyday people. It is also known as manic depression. Needles For Free is a journey through an experience bipolar people know all too well: the manic episode, displaying many of the symptoms of bipolar disorder. The writer takes the reader through mania after a wild incident at a trying time during the main character, Frees life. He has found himself in the mental ward yet again and keeps a journal. But, is has he really lost it or is actually living in a new reality?
