

## No Good Deed: A Detective Sonora Blair Novel (Detective Sonora Blair Novels)

When a fifteen-year-old girl goes missing, all that's left behind is a splintered fence, pickup truck tracks, a discarded riding boot, and a lot of blood. As a mother, detective Sonora Blair knows she is looking at a parent's worst nightmare. As a homicide cop, she tries not to think about what might be happening to the young girl right now--or what the police will find if they don't get to her in time. But nothing in Sonora's experience can prepare her for the chilling revelations that will emerge from this case, or for the truth about other missing children, a lover's betrayal, and another unthinkable crime.
