

No Strings - In Search of Dickie Jones (Hardback)

This is the HARDBACK version. In an era when aspiring actors desperately sought studio connections, young Dickie Jones did not. Possessor of a load of multiple talents and under the guidance of his mother, he moved from studio to studio - dancing, acting, riding. Dickie had that most desirable gift for every actor - believability. In his independence, Dickie walked off with one of the plum juvenile roles of his time - the voice of Pinocchio for Walt Disney. As he geared up to sing No Strings on Me he might have been singing his personal theme song. In NO STRINGS: IN SEARCH OF DICKIE JONES, Ann Snuggs has shared Dicks stories from his days on the silver screen in combination with her research on the films and people involved.
