

No Strings Attached (Lexi Carmichael Mysteries, Book 8)

[Read by Kristin Watson Heintz] Bestselling author Julie Moffett presents the eighth book in the Lexi Carmichael mysteries. Oops, I did it again. Leave it to me, Lexi Carmichael, to become a target for an elite organization of cyber criminals simply by being in the wrong place at the right time. As if I weren't already freaking out about planning my best friend's bachelorette party, I now have to keep my eyes peeled for people trying to kill me. After accidentally intercepting a dangerous hack into the NSA and discovering the involvement of a foreign country in said hack, things begin to get seriously complicated. Diplomats, danger and spies, oh, my! With Slash and my loyal friends by my side, I'm in a race against time to stop a team of sophisticated hackers on a deadly mission. My team of geeks is brilliant but derailing an international plot for revenge will take everything we've got.
