

No time for a siesta

www.cortijoslobos.com Clive and June Wolfe live in a beautiful old Cortijo in the stunning countryside of Villanueva del Trabuco, Southern Spain, with their fifteen horses, two goats, one sheep, three dogs, seven cats, and ten chickens! They run a thriving holiday business letting out their converted barns for self catering holidays, as well as providing horse riding, mountain biking, guided hikes and other excursions. Clive is a talented builder, working all week for clients and most weekends at home renovating the farm. June is kept busy looking after all the animals, home and family, the holiday business, taking clients riding, and through necessity has become a pretty competent builder herself! This is the story of their life now, and how it all began..
