

Obsidian Curse (A Stacy Justice Mystery)

Reporter Stacy Justice has finally stopped resisting who she really is—a powerfully gifted witch. And now that the Council has appointed her Seeker of Justice, she feels stronger and more attuned to her magic than ever before. But Samhain—the night when the veil between the worlds thins—is approaching and something strange is brewing. First, a fairy with a sweet tooth appears in town unexpectedly. Then, a mysterious stranger shows up at Stacy's newspaper, seeking info for a true crime expose he claims to be writing. But most disturbing of all, a bloodthirsty, sexy demon has escaped the Otherworld, determined to invoke a curse that has plagued Stacy's family for generations. Fulfilling her role as Seeker and finding out how all these pieces fit together may tear her relationship with her boyfriend apart. But if she doesn't find answers soon, her love life won't be the only thing in danger. This fifth book in the Stacy Justice series offers more of the dazzling magic and heart-stopping thrills that have left listeners spellbound.
