

## Pampered to Death: A Jaine Austen Mystery (Center Point Premier Mystery (Large Print))

When freelance writer Jaine Austen is surprised with an uber-luxe spa getaway, she and her feline pal Prozac are eager to hit the road and bask in a week of pampering and pedicures. But what she gets is a California fat farm in disguise, complete with celery-juice cocktails, humiliating weigh-ins, and a zero-tolerance position on carbs. Among her bulge-battling companions is Mallory Francis, a B-list movie star with a knack for making frenemies. When she's found strangled during a seaweed wrap gone awry, Jaine is hard-pressed to think of anyone who couldn't have done it. While the suspects mount faster than her hunger pangs, Jaine's search for truth, justice and contraband calories leads her straight to a cold-blooded killer--where murder may be on the menu once again. . . Her books are so outrageously funny, they always make me laugh out loud.--Joanne Fluke Praise for Laura Levine's Jaine Austen series Delightful. . . Jaine's wit shines throughout. --Publishers Weekly on Pampered to Death If you love a good mystery, this book is for you. --New York Journal of Books on Death of a Trophy Wife This will turn out to be a long series. . . likely to be compared to Janet Evanovich for its humor. --I Love a Mystery on This Pen for Hire
