

## The Path of the Dead

A middle of the night call to a burnt out house is pretty much routine for Devon Fire Brigade photographer Gus Tavender. But finding a charred body locked in a secret room is not, and from that moment, very little in Guss life can be considered routine. The following day she meets with an old college friend who has come to Dartmoor to learn the truth about her aunts death. The old lady fell into a quarry when out walking on Dartmoor a tragic accident say the police, but Judith has good reason to think otherwise. She enlists Guss help and as the two women uncover more information, Gus begins to suspect a connection between her friends aunt and the body in the burnt house.
