

## Fraternity House

Fraternity House is an inspired novel and memoir in the spirit of Charles Bukowski's Post Office. Fraternity House, by Arthur Jay, follows the daily life of the famous Sigma Delta Delta in three parts. In parts one and two, Arthur Jay's alter ego, Cleaver, takes you behind the scenes as the brothers of Sig Delt cook, clean and indulge in the guilty pleasures of Greek life. In part three, Cleaver and his classmates battle through the pledge program to become brothers. If you've ever lived in a frat house or wondered what really happens behind those lettered doors, you'll love the captivating characters, hilarious anecdotes and shocking world of Fraternity House.
