

Alpine for You

A TRIP TO DIE FOR... Accompanying her grandmother on a seniors tour of Switzerland, Emily Andrew had envisioned a vacation straight out of a travel brochure: spectacular scenery, great food, and a classy European hotel, all worlds away from her rural Iowa hometown. But her dream trip quickly snowballs into mayhem when smooth-talking tour escort Andy Simon is found dead. To be sure, Andy was as randy as a mountain goat on Viagra, hitting on every miss -- Swiss or otherwise -- within striking distance. His constant advances were driving Emily cuckoo -- but had someone orchestrated his untimely death? For savvy, resourceful Emily, leading the tour in Andy's place is only natural. But she can't remain neutral when a fellow traveler takes a fatal plunge -- she's convinced a murderer lurks among them. With precision timing, sexy Etienne Miceli steps in to investigate, and Emily warms to the suave detective. Still, with the group roster suddenly sprouting more holes than the local cheese, Emily wonders: is there a safe haven anywhere in the shadow of the Alps?
