

## Restless in the Grave (Kate Shugak Novels)

New York Times bestseller Dana Stabenow returns with her most outstanding novel yet, teaming up two of her most beloved characters, Aleut private investigator Kate Shugak and Alaska state trooper Liam Campbell, in the same story for the first time. Alaska aviation entrepreneur Finn Grant died in the fiery crash of his Piper Super Cub. Someone sabotaged his engine, and virtually everyone in southwestern Alaska has a motive, including his betrayed wife, his bullied children, and Liams wife, bush pilot Wyanet Chouinard. With few places to turn, Liam asks his former mentor Niniltna post commander Sergeant Jim Chopin, for help, and Jim quickly brings Kate onto the case. Working undercover as a waitress at Bills Bar and Grill, Kate learns over beer and burgers that Grants business had expanded meteorically over the last two years. After buying the closed Air Force base south of town from the federal government at a bargain-basement price, he became a fixed-base operator running his fishing, hunting, and flight-seeing business, servicing planes flying through the area, and most interestingly and lucratively, getting into the air freight business. But what kind of freight was he moving, and where? The answers involve Kate in her most challenging case to date, one that starts with murder and quickly sprawls into a much larger conspiracy ranging from the darkest family secrets to treason and beyond. Restless in the Grave is a treat for fans and another outstanding addition to Dana Stabenows acclaimed and award-winning series.
