

## Role Models

Here, from the incomparable John Waters, is a paean to the power of subversive inspiration that will delight, amuse, enrich and happily horrify readers everywhere. *Role Models* is, in fact, a self-portrait told through intimate profiles of favorite personalities—some famous, some unknown, some criminal, some surprisingly middle of the road. From Esther Martin, owner of the scariest bar in Baltimore, to the playwright Tennessee Williams; from the atheist leader Madalyn Murray O'Hair to the insane martyr Saint Catherine of Siena; from the English novelist Denton Welch to the timelessly appealing singer Johnny Mathis—these are the extreme figures who helped the author form his own brand of neurotic happiness. *Role Models* is a personal invitation into one of the most unique, perverse, and hilarious artistic minds of our time.
