

PARANORMAL MENAGE ROMANCE: Between Two Billionaires (Werewolf Shifter Alpha Male Menage BBW Romance) (Contemporary Paranormal Romance Short Stories)

****FREE with Kindle Unlimited*****A hot and sexy werewolf shifter BBW romance perfect for fans of Terry Bolryder and Milly Taiden*The whole idea of a mating ceremony has always made me sick. Its not that I never wanted to be selected, but women like me dont generally do a lot to provoke desire. Im awkward and curvy, and Id much rather stay at home with a book than attend the mating ceremony and compete with all of the other, more beautiful women.Erik and Tanner may have both needed a mate, but I was sure neither one was going to select me.To my shock, both men seemed nothing short of captivated by my curves. I knew they had very different taste in women, and I didnt believe it when I was informed that Id been chosenby both kings.The attraction that Erik and Tanner felt towards me was dangerous. After all, Alphas compete for the love of a mate. Two men choosing one woman is practically unheard of.But now, Im intrigued. I cant help it. Tanner and Erik are like no men that Ive ever seen, and I have a feeling they feel the same way about me. Will jealousy and desire provoke one of the most dangerous fights in history? Or will we be able to.reach an arrangement?
