

Explosive Eighteen

Bounty hunter Stephanie Plums life is set to blow sky high when international murder hits dangerously close to home, in this dynamite novel by Janet Evanovich. Before Stephanie can even step foot off Flight 127 Hawaii to Newark, shes knee deep in trouble. Her dream vacation turned into a nightmare, and shes flying back to New Jersey solo. Worse still, her seatmate never returned to the plane after the L.A. layover. Now hes dead, in a garbage can, waiting for curbside pickup. His killer could be anyone. And a ragtag collection of thugs and psychos, not to mention the FBI, are all looking for a photograph the dead man was supposed to be carrying. Only one other person has seen the missing photo Stephanie Plum. Now shes the target, and she doesnt intend to end up in a garbage can. With the help of an FBI sketch artist Stephanie re-creates the person in the photo. Unfortunately the first sketch turns out to look like Tom Cruise, and the second sketch like Ashton Kutcher. Until Stephanie can improve her descriptive skills, shell need to watch her back. Over at the bail bonds agency things are going from bad to worse. The bonds bus serving as Vinnies temporary HQ goes up in smoke. Stephanies wheelman, Lula, falls in love with their largest skip yet. Lifetime arch nemesis Joyce Barnhardt moves into Stephanies apartment. And everyone wants to know what happened in Hawaii? Morelli, Trentons hottest cop, isnt talking about Hawaii. Ranger, the man of mystery, isnt talking about Hawaii. And all Stephanie is willing to say about her Hawaiian vacation is . . . Its complicated. The hardcover edition of Explosive Eighteen contains a tear-out calendar inside! From the Hardcover edition.
