

Southern Peril: A Jersey Barnes Mystery (Jersey Barnes Mysteries)

Why is it so hard for Jersey Barnes to retire? When a state supreme judge calls in a favor, she tells herself (again) that this is her last case. She must investigate the judge's brother, Morgan, and his newly-inherited business. When Jersey realizes the DEA is checking on Morgan, too, she finds herself in the middle of a twenty-year-old mystery and a drug ring investigation. Still checking up on her geriatric father and his trouble-making friends, negotiating the steamy friendship/relationship with her bartender Ox, and dodging the flirtacious sparks flying back and forth with the cute DEA agent, Jersey begins to wonder if retirement is ever in her future. On the heels of the lauded *Southern Poison*, readers will welcome another hilarious, suspenseful, and sun-soaked adventure from the unforgettable Jersey Barnes.
