

## Maggie: A Girl of the Streets

Maggie: A Girl of the Streets, Stephen Crane's first novel, is the story of a beautiful young girl living in the slums of New York in the late 19th Century. Maggie: A Girl of the Streets is a shockingly explicit portrait of the brutal conditions that existed in the poverty-stricken slums of New York. Originally refused by all publishers that it was submitted to because of its brutal and sexual realism, Maggie: A Girl of the Streets was first published by Stephen Crane at his own expense.
