

## Spent Lives

Francois Laurent grew up in the shadow of what happened all those years ago and his life hadn't been the same since. He tucked the memories of that day away in a dark corner of his mind, but hurtful things don't stay hidden for long. His painful secrets resurfaced when a crime fragmented their charming town and Francois Laurent found himself in the midst of it all. As a result, he pursued Maureen Leatherby, the town's kooky foreigner. She was always willing to assist patrons when the occasion arose, but it always came with a price.
