

## The Circus Fire: A True Story

The acclaimed author of *A Prayer for the Dying* brings all his narrative gifts to bear on this gripping account of tragedy and heroism—the great Hartford circus fire of 1944. Halfway through a midsummer afternoon performance, Ringling Brothers Barnum and Bailey Circus's big top caught fire. The tent had been waterproofed with a mixture of paraffin and gasoline; in seconds it was burning out of control, and more than 8,000 people were trapped inside. Drawing on interviews with hundreds of survivors, O'Nan skillfully re-creates the horrific events and illuminates the psychological oddities of human behavior under stress: the mad scramble for the exits; the hero who tossed dozens of children to safety before being trampled to death. Brilliantly constructed and exceptionally moving, *The Circus Fire* is history at its most compelling. From the Trade Paperback edition.
