

The Essential Sir Arthur Conn Doyle

The rich life Sir Arthur Conan Doyle is featured here: his work as a doctor, his novels and journalistic writings, his support of Spiritualism and his defense of fairies. This is a unique set for the 150th anniversary of his birth. After his early years in medicine, the writing talents of Arthur Conan Doyle took over. Sherlock Holmes and Professor Challenger were among his successes. David Timson, an actor and director who has read the complete Sherlock Holmes collection for Naxos AudioBooks, has compiled this commemorative collection showing the range of Conan Doyle's life and work. It includes the 2CD biography by Hesketh Pearson, *The Speckled Band*, an excerpt from *The Lost World* and his defense of the Cottingley Fairies.
