We know nothing of Him, apart from a recognition of something which is supernatural. And so strongly has this true idea of what religion:s fixed itself on the human mind, that I am bold to say that through the nineteen centuries since Christ was born, and long before, this very supernatural element, which is a stumblingblock to many of our philosophers in these later days, has been an attraction to thousands upon thousands of simple souls for whom the Gospel has been the Gospel of Life in so many countries and in so many varying stages of civilisation. Is it inconceivable to these enlightened philosophers that God Almighty, who desired to bring His supernatural trulh home to the hearts of these perishing thousands of the human race, may have taken care from the very first, out of His fatherly goodness, that this supernatural religion which He desired to teach them should be borne along in the true history of its Founder with a flood of such supernatural incidents as were likely to arrest,their attention, to win their sympathy, and cling to their hearts? The truly wise man will know what helps these miracles have been to many thousands; he will not measure others by his own supercilious objections to them, and he will study the records which contain them with a deep consciousness that he is in the presence and is tracing the ways of One Who is above ordinary nature. I am aware that some of our antagonists try to draw a line between the supernatural and the miraculous, but the manifestation of the

supernatural is a miracle; and what I have been contending for is tlvs--that the whole of Christianity is built upon a...
