

## The Journey to the West, Volume 3

The Journey to the West, volume 3, comprises the third twenty-five chapters of Anthony C. Yus four-volume translation of Hsi-yu Chi, one of the most beloved classics of Chinese literature. The fantastic tale recounts the sixteen-year pilgrimage of the monk Hsuan-tsang (596-664), one of Chinas most illustrious religious heroes, who journeyed to India with four animal disciples in quest of Buddhist scriptures. For nearly a thousand years, his exploits were celebrated and embellished in various accounts, culminating in the hundred-chapter Journey to the West, which combines religious allegory with romance, fantasy, humor, and satire.
